

*Shine on,
Shine on. The sun is
gonna shine on me.
(the smart way!)*

“I used to tan, but I don’t any more. I just don’t look good with a tan. It’s not attractive. I really think natural skin tone is what looks best. It’s what glows.” Songs like Sarah Buxton’s “Shine On” have earned her a nomination as the Academy of Country Music’s new female vocalist of the year. Find out all the right ways to enjoy the sun, protect yourself, and let your inner beauty shine on.
